

Science Overview

KS1

Cycle A	Seasons and weather	Human body – 5 senses	Everyday Materials	Plants	Animal world
Cycle B	Living things and their habitats	Living things and their habitats	Materials and their uses	Animals and their needs	How Plants Grow

Lower KS2

Y3	Forces and magnets	Animals and humans	Light and shadows	Structures and functions of plants	Rocks
Y4	Classification of living things	States of matter	Sound	Human Body	Electricity

Upper KS2

Cycle A	Properties and changes of materials	Properties and changes of materials	Earth and Space	Life cycles and reproduction	Forces and movement
Cycle B	Light and seeing things	Living things: further classification	Human Body: systems	Evolution and inheritance	Electricity
