

Friday 9th January 2026

Dear Parent and Carers,

Last term in History, we explored how Runcorn's bridges have changed over time as part of our unit *The History of Runcorn*. The challenge for our next homework quest is to explore this particular aspect of the topic in more depth by researching one, or more, of Runcorn's bridges and creating a project to show what you discover.

The project can be presented in lots of different ways. It could be a two-dimensional piece, such as a drawing, timeline, fact file, storyboard, blueprint (labelled design) or animation, or it could be a three-dimensional creation – you could build one of the bridges!

Your project must be handed in no later than **Friday 13th March 2026!** In advance, I would personally like to thank you all for the time, effort and resources that you and your children are going to invest within these projects. If you have any questions at all regarding our quest, then please do get in touch.

Miss Edwards
