

Wednesday 2nd September 2026

Dear Parents and Carers,

In our history lessons this half-term, we will be learning about the Romans. Your child's challenge is to create their own Roman artefact such as a Roman shield, a model of Roman walls, an amphitheatre or a Roman fort, just to name a few!

Their project can be 2D (e.g. a drawing or painting) or 3D (as shown in the pictures below). You are also welcome to come up with your own ideas or use the images below for inspiration.

Your child's project must be completed by Friday 4th December 2026. I would like to thank you in advance for the time, effort and resources that you and your children will invest in this project. If you have any questions, please don't hesitate to ask me. Enjoy being creative!

Kind regards,
Mr Roberts
Year 6 Teacher
